## Ball pen with touch pad

Are you looking for a ball pen which can also be used for smart phones and tablet PCs? Then this one made of metal-plastic is ideal for that purpose. The ball pen must not even be turned when wanting to use the touch pad, as the pad is located on top of the ball pen. The large refill and the silver applications highlight the ball pen. We will place your advertising next to the clip.

**Starting price : \$0.50**

This is a product information leaflet:

Ball pen with touch pad,
